To Whom it may concern,

It has been CURIE's position and practice to only authorize and approve of CURIE's own certificates of insurance requests. Not only is that a standard industry practice for commercial insurance companies, but looking at past records can confirm CURIE has issued several certificates in favour of the City of Mississauga for other of our insureds without any concern.

CURIE's certificates will provide all the required information and proof of coverage that is required for our Subscribers through various agreements and contracts, to ensure we are managing all requests from our members and the extensive number of third-party requests.
